MR. AND MISS GATE CITY HIGH SCHOOL

Kevin Peters and Ashley Addington were chosen by the faculty to be Mr. and Miss Gate City High School, 1982.

They have been involved in many school activities during the past four years. Both are members of the National Honor Society and Fellowship of Christian Athletes. Kevin plays Blue Devil football and baseball and Ashley is a Varsity cheerleader and senior class editor of the annual staff.

How Quartz Watches Have Changed School

In the olden days, students sat in class working, not knowing how much time they had. Now thanks to quality watches that keep exact seconds, this has all changed. One hears the cry go out "one minute" and all stop working. By the time "fifteen seconds" is heard everyone has his books and pencils gathered up and is ready to go. When the second-by-second countdown starts at five, everyone stands up and makes for the door. The teachers are use to this and can be fooled for as much as two minutes. Thank you, Texas Instruments, for helping us cut a minute off our classes.

HURRAH FOR DEVILS
HURRAH FOR DEVILS
SOMEONE IN THE CROWD IS SHOUTING
HURRAH FOR DEVILS
ONE, TWO, THREE, FOUR,
WHO YA GOIN' YELL FOR
DEVILS THAT'S WHO!

JUNIOR PROM

Friday, April 3, 1981, saw the Class of 1982, attired in their finest as they celebrated with the Junior Prom. The school cafeteria was decorated with black and silver streamers and highlighted with a galaxy of silver stars. Music, provided by the band, "Chayne," set the evening's theme - "Midnight Magic."

Opposite Page

Upper right · It's time for a break from dancing for some of the juniors and their dates.

Center • A slow dance and there doesn't seem to be enough room on the floor for another couple.

Lower Left - Susan Gray and Sharon Lane goofing off with their dates.

Lower right · Time out for good food!

THEIR FACES WILL BRING A FOND REMEMBERANCE OF OUR HIGH SCHOOL DAYS

FLIGHTS OF FANCY

Flights of Fancy

Daydream, build castles in the air, explore the vast world of fantasy. Let these flights of fancy carry you off to a deserted island where you may meditate on life and gain understanding of your feelings. Express these thoughts and experience and let them build your character, for that daydream may become a reality and that castle may suddenly become a foundation.

DEDICATED TO THE CLASS OF "82"

THE GOOD OL' TIMES

As our days go by, we come closer to the time that we must part, never again to return to these days, which are so precious in our hearts.

The times we shared, were filled with laughter, joy, love, and an occasional tear. These were the feelings we had in our hearts, as we roamed the halls, that are so dear.

Through the years, we've gained new friendships, and made new loves, but soon we shall see them each float away; softly and carelessly as a snow white dove.

We will go through our lives with these memories packed away tenderly in our minds; but when our paths shall once cross again, another tear shall roll down our faces, as we reminisce the good ol' times".

By: Cathy "Birdie" Stokes

SENIORS ATTEND SEMINAR

Leta Godsey and Andrea Adkins attended the Congressional Seminar in Washington, D.C. from January 24, 1982 through January 30, 1982. The girls have a high overall academic average. Of the three years students from Gate City have attended, this is the first year girls have participated.

The Congressional Seminar offered a practical and personal knowledge of how American politics unfolds in Washington and Congress.

A major part of the week was devoted to scheduled dialogue sessions with Senators and Congressmen, stressing a question and answer format of discussion. These meetings were held on Capitol Hill and were supplemented by attendance at House and Senate sessions and committee meetings.

In order to better understand the relationship of Congress to the rest of the government, sessions were scheduled with high-ranking officials of various government departments and agencies, such as the White House staff, Pentagon officials and Supreme Court justices, all of whom helped to fashion the day-to-day workings of national government.

The students were given a chance to put the knowledge and procedures of the Congress into practical application by participating in a Model Congress, which proved to be one of the most enjoyable aspects of the week.

Each evening of the seminar, the participants were divided into committees, then drafted their own legislative ideas for submission to the Model Congress. An officer of the House of Representatives presided, utilizing modified procedures and rules of the House.

The seminar brought an ambassador to meet with the students. These meetings provided a unique opportunity for added perpective into American's role in the international community.

Following each day's activities, a short evening session was held by a visiting professor. This person, usually from the faculty of a nearby college or university, conducted what in effect was a "de-briefing" on the points and analysis of the wide-ranging discussions of the day.

No Congressional Seminar would be complete without a good old fashioned tour of the nation's Capitol. The students were given many opportunities for prearranged visits to well-known tourist attractions and monuments.

Miss Betty Snodgrass and Miss Fostena Parkey, both are government teachers, helped make this opportunity possible and Leta and Andrea appreciate the effort they made in their behalf.

WISH UPON

On Friday evening, December 18, 1981, the Class of 1982 celebrated Christmas at their Senior Christmas Party. The school cafeteria was decorated in a red and gold color scheme with the traditional Christmas tree. Students danced to music provided by "Menagerie."

A STAR

Opposite Page

Upper right — Tired from dancing, many students grab something to drink.

Center — Rocking the night away is easy for everybody. **Bottom left** — Instead of dancing, some students spend the evening chatting with friends.

This Page

Upper left — The group "Menagerie" provided the entertainment.

Lower left — Happy with each other's company, Ashley Addington and Kevin Peters dance the night away. Lower right — Mark Tomlinson and Rosemarie Carter happily swayed to the music.

Cassie Castle just heard the latest joke.

"Who ate my peanut butter and jelly sandwich?"

Friends forever!

The Class of '82 demonstrates the fact that it will take more than graduation to separate them.

Laura Quillen takes her typing very seriously.

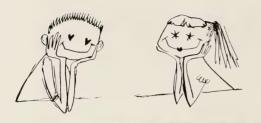

"Happiness is togetherness," says the Class of '82.

Everyone studies so hard during study hall.

Gate City High students are very serious about their education.

Upper left - Sheila Pierson, Rosemarie Carter, Carlene Smythe and Deanna Gilreath enjoy another exciting lunch.

the Challenge

From the atom to the sun . . . the universe pulsates with energy in many forms.

The challenge is to find ways ... new ways ... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means - innovative

technologies, exotic engineering, dynamic architecture — exciting advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest ... that's the scope of the energy field today. The opportunity for personal achievement is infinite; the challenge, one that must be met.

The American Free Enterprise System

There is no greater service to mankind than to operate a business or industry fairly and profitably, to provide jobs in the community, and to produce goods which satisfy our needs.

Free enterprise has made America great. American business at work in the free enterprise system serves mankind better than any other system in the world. We need to understand the free enterprise system and to help others to understand it so that it will never be lost.

To Kim:

I wish to express my deep appreciation and gratitude for an outstanding job as the yearbook editor. You have devoted much time and effort to make this book a success. Now as the final pages of the 1982 book are put to bed, you can lean back, relax, and enjoy the laurels you so richly deserve.

Nancy K. Ward

ACKNOWLEDGEMENTS

A very special thanks to the following people, without whom this book would have been just an idea in the staff's minds:

Nancy Ward, for prodding us on to meet the deadlines.

Ashley Addington, for working on Senior pictures.

Lisa Williams and Danita Culbertson, for their work on Junior pictures.

Pam Penley, our business manager, who sold over half of the ads and took care of all the money.

Betty Wright, who sold the most yearbooks - 97.

Dwain Arnold and Rosemarie Carter, for their art contributions.

Regina Stallard and Jeannie Robinette, for working on clubs.

Cathy Stokes, for her work with the faculty section.

Wrenda Kendrick, for working on Freshman and Sophomore sections.

Jean Blackburn, for delivering proofs to me in the icy cold of winter.

Mike and Sherry Quillen, for opening their beautiful home to us for Senior Superlative Pictures.

Kevin Peters, for doing anything and everything.

Family and Friends, for time and patience.

Thanks, one and all — we couldn't have done it without you!

The 1982 Blue Devil has been completed and I want to take this time to say a big THANK YOU to the annual staff for becoming involved and giving of themselves. There were many problems, as I'm sure every annual staff experiences, but we all held on, gritted our teeth, spent many sleepless nights to meet the deadlines, and finally made it. I am also grateful to the administration and faculty for their cooperation.

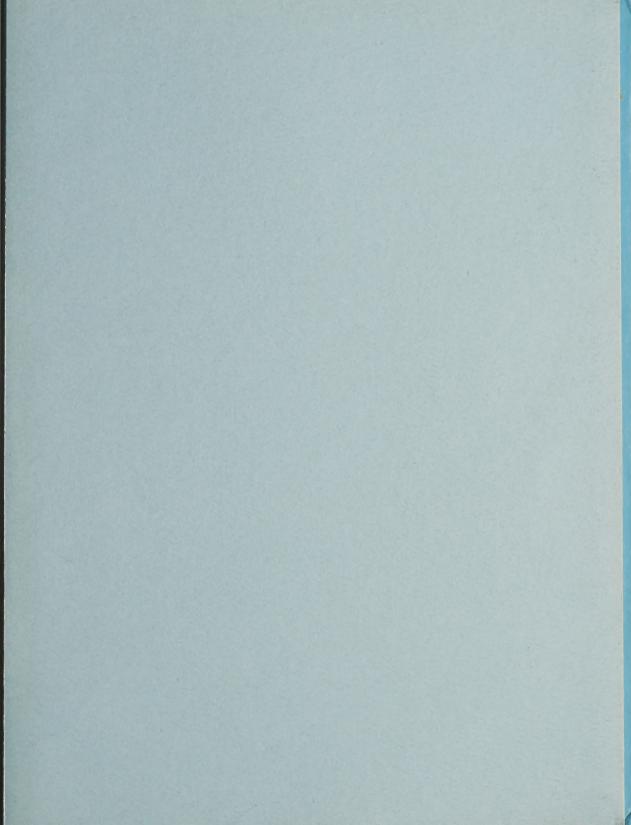

My special thanks to Mrs. Nancy Ward. Without her advice, help, support, and wonderful sense of humor, I would have never made it through the year.

Yet my letter will not be complete without thanking you, the student body of Gate City High School. This is your book, one that will serve years later to bring back the memories of a unique and fulfilling year. I am thankful for the part I have had in capturing some of those memories.
